About us

Velvety facial and skincare company

Velvety is an indigenous company that specializes in the manufacture and development of facial and skincare products using the medicinal properties of the traditional First Nations pharmacopoeia, with a concern for sustainable development.

The products offered, whose benefits have been scientifically confirmed, are 100% natural and allow you to take care of your body and mind: calming teas, energizing infusions, anti-inflammatory essential oils, anti-age soaps and creams, etc.
